Eligibility & conditions	Minimum age 14 years with parents' consent
	<p>Use of buoys will be mandatory (a swimming buoy will be provided at the selling price of 29 euros or you can swim with your own buoy).</p> <p>Starting will take place in the water; all styles are permitted. Swimming in neoprene wetsuits is permitted. Bathing caps will be provided by the organiser and are mandatory, as they help to ensure visibility and safety.</p>
Further information	Information mails containing news or changes will be sent to all participants in the 3rd week and the final week prior to the start date. Please inform us immediately if you have not received any mail three weeks beforehand at the e-mail address you specified on registration.
Time recording	Time recording will be carried out using a Timit transponder that will be provided by the organiser. The transponders must be handled with care and returned following the event. A fee of 80 euros (cost of the transponder) will be charged in the event of loss or damage.
Registration	Registration will take place online via our homepage from 01 November 2021. Inclusion in the starting list will take place once payment of the starting fee has been received. The closing date for registering is 14 August 2022. Late entries (without T-shirts & sponsor kits) will be possible on the day of the event. If a high number of participants are set to take part, starting will take place in several groups spaced approx. 5 minutes apart. On registering, participants affirm that they are physically healthy and that their state of health has been confirmed by a doctor within the last 12 months. They also affirm that they are sufficiently fit to complete the target distance and that they are aware of the circumstances of swimming in open water.
